

MUG RUG POEM

Written by Angie Costa

Shared by Julie Cefalu @ The Crafty Quilter

*This is
a mug rug.
What's that, you say?
It's a tiny placemat to use every day.
Use it for coffee, juice or tea.
And when you use it, you can think of me!
I (with my sewing machine) made this for you
to use for the holidays and the whole year
through.
Love,*
