DESIGNER

Fig Tree Quilts

"Fig Tree goes a little retro" or "the perfect summer afternoon" would be two phrases I would use to describe the feel of our newest summer collection! Chalk full of happy, saturated colors with names such as Strawberry, Vanilla, Grass, Daisy and Rose. This vintage 50's feeling group is rounded out with the more muted tones of Vanilla, Slate and Pond. A light ivory background makes the rest of the colors really pop!
