

Fabric Heart Bookmark Templates

Material for one bookmark:

(2) 4.5" squares
(1) 3" square

Cut heart shapes out and use as tracing templates.

Print at actual size
(no scaling)

Instructions
Place the 4.5" squares RST.
Trace large heart onto wrong side of top square.
Trace small heart inside of large heart.
Cut on line of large heart shape.
Cut 1" off the bottom of **unmarked** heart.
Fold 3" square in half diagonally, press.

Layer in the following order:
Marked heart right side up
Folded triangle so it aligns with bottom of heart.
Cropped heart wrong side up.

Pin layers together and stitch all the way around using a 1.5" stitch length.
Clip into "V" at top of heart and trim close to stitching around entire heart. (Use pinking shears if possible.)
Turn right side out and press.
Topstitch close to edge (optional).
