

# Scrappy Quilt

(A Leaders & Enders Project)

9.5" (finished) block | 35 blocks = 47.5" x 66.5" quilt (no borders)

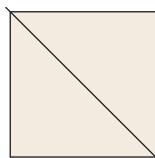

Julie Cefalu | [www.thecraftyquilter.com](http://www.thecraftyquilter.com)

This project is designed to use fabric scraps as leaders and enders. You can learn all about leaders and enders at my blog: <https://thecraftyquilter.com/2018/01/efficient-quilting-with-leaders-and-enders/>  
If you cut fabric scraps into useable sizes, you'll end up with a bonus project at the end of the year.

For the leaders & enders in this project, I sew two squares together to form a pair. When I have enough pairs, I sew a third square to each pair to form a row (again as a leader or ender). Eventually I sew the rows together to form a 9-patch. Finally, side triangles get sewn to the 9-patch to form the block.

## Cutting Instructions

- (315) 2.75" x 2.75" DARK squares
- (70) 6.25" x 6.25" LIGHT squares, cut in half diagonally

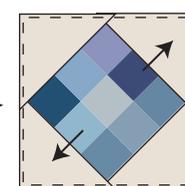

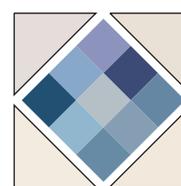

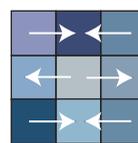

No fabric requirements are given as this is designed for scraps.

However, if you're using yardage I would estimate the following:

- \* Dark squares - (24) fat eighths
- \* Light squares - (12) fat quarters
- \* Border (optional) - 1 yard

## Assembly Instructions

1. Sew (3) of the 2.75" squares together to form a row.
2. Make three rows for each block.
3. Sew the three rows together to form a 9-patch. It should measure 7.25" square.
4. Sew a 6.25" triangle to each side of the 9-patch to make the block.
5. Trim the block to measure 10" square. Make sure there is 1/4" seam allowance beyond each point on the sides.

7.25" square

Trim to 10" square

6. Sew five blocks together to form a row. Press open. Make 7 rows.
7. Sew the rows together to form the quilt top.
8. Add borders if desired.
9. Baste the quilt top, batting and backing.
10. Quilt as desired.
11. Finish with binding.
